.....	113	15 2	10 0 0	7 0 0	0 8 0	1 8 0	8 8 0	1 8 0	In the Sanad Register the area of Survey No. 113 is acres 15-20. Out of this land a piece measuring one acre has been taken up for a road and another piece of land measuring gunthas 22 forming part of an old road was included in the survey number. This explains the difference of 18 gunthas between the figures of area entered in the village accounts and those entered in the Sanad Register according to which this Register is prepared.

In the revision survey the assessment of the land was reduced to 8 annas, that is 2 annas less than the amount of the Judi. Excess of the Judi over the revision survey assessment is not now levied and the matter is under reference to the Collector of Dhárwár.
